Goals:

Our goal is to start off by serving 250 friends and customers from Beekmantown, West Chazy, Point Au Roche, Cumberland Head, Plattsburgh, and Morrisonville. We will be offering 95 gallon rolling bins, and recycling totes! We plan on being fully running by the start of the new year, 01/01/2023.

We will pick up your trash and recycling weekly with our dump trucks and trailers, so we would love to have the bins by the road the night before pickup. Curbside pick up helps us keep prices low, stay safe, and be more efficient!

30 Garbage bins, and recycling totes have our "pink" stickers that help raise money for a local Breast Cancer Foundation. Each of these bins will donate 10% of the money they bring in at the end of the year. These plus our handful of Pink Portable restrooms can make a difference. Every little bit helps!

Pricing And Service Options:

- Weekly curbside pickup is \$33 a month and includes 1 (95 gallon bin)
- Weekly curbside trash and recycling starts at \$35 a month with 1 bin and tote
- Weekly curbside pick up is \$30 with your own bin up to (7 kitchen sized bags a week)
- We will also have the ability to offer roll off dumpster rentals as well! Those will include a 3 day rental, and 1 ton of junk for \$299 + tax and delivery.

Payment Options:

Invoices will be sent to your email the last day of the month, for the following month pickups. (Example: January 31st bill, is for February pick up and is due when received.)

- We encourage our customers to use our easy autopay feature through our email invoices. Quick, Easy, and Simple.
- You may also manually pay online each month with a card
- You can send payment by mail or make arrangements with our driver

Help us out:

1. Keep trash in garbage bags
2. Have recyclables (if you wish) in a separate bin and only plastic bottles, tin cans, glass bottles, and broken down cardboard please
3. Get the bins by the road the night before pick up (we start super early)
4. And let us know how we can help YOU!

Special Promo:

From January 1st - March 31st we will offer you \$5 off for 3 months, for each neighbor you send our way for weekly trash pick up!!!

Don't miss your chance at SAVINGS, and GREAT service.

All you have to do is...

- Share our service info with your neighbors
- Have them mention your name when signing up
- Then you start SAVING!!!

Thank You,

Trevor Drapeau.
